

REPUBLIC OF NAMIBIA

HEROES DAY COMMEMORATION 26 AUGUST 2018

The Namibian nation continues to pay tribute to our fallen heroes and heroines, living pioneers and great leaders, who persevered and made sacrifices in pursuit of our century long yearning for freedom and independence, to pave the way for our freedom. We acknowledge and reflect on their bravery, strength, courage, and perseverance, as they fought to give us self-governance.

We recognize on this day those, who have taken up the mantle of our heroes and heroines and made significant contributions to the social, economic, political and spiritual development of our country.

As Namibia continues to enjoy peace and sovereignty, Heroes Day provides us with a common platform to commemorate their acts of heroism, patriotism, dedication and selflessness in service that have shaped and laid the foundation for a prosperous future.

The life lessons passed to us by our freedom fighters, whose bravery echo so powerfully across the span of time, prepare us for the present challenges of socio-economic emancipation. Their overarching ideal which united them for the struggle to liberate Namibia should lead us, as we jealously guard our peace and stability. Let us recommit as we commemorate this day, to respect life, to continue the tradition of our forebearers to promote the liberty and wellbeing of all Namibians.

*We shall rededicate ourselves to building a greater society on the foundations of freedom. Let us reflect on who we truly are as a people, and the historical path we have travelled.
